This matter comes before the Public Service Commission of South Carolina (Commission) on the request of CBX One Stop, LLC d/b/a CBX Communications (CBX or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide local exchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted CBX authority to provide telecommunications services in the State of South Carolina by Order No. 2001-729, dated August 15, 2001, and as amended by Order No. 2004-13, dated January 9, 2004.

CBX, by letter filed September 12, 2006, seeks cancellation of the Company's Certification. According to CBX the Company will no longer offer local telephone service. CBX adds that all of the Company's customers have been converted to other telecommunications carriers.

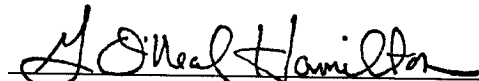

As CBX will no longer be providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and

concludes that CBX's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

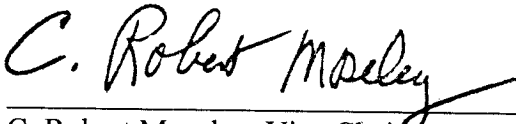

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide local exchange telecommunications services in the state of South Carolina authorized by Order No. 2001-729, dated August 15, 2001, and as amended by Order No. 2004-13, issued to CBX One Stop, LLC d/b/a CBX Communications is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
